Last night I heard, the sweetest words
If I wasn't drinkin'
I might have remembered, more of what she said
There were sounds of promise
And shades of grace

I've been down and I've been waitin'
Here she comes, here she comes
I've been down and I've been waitin'
Here she comes, here she comes

Now another day has found me
If I wasn't so stupid
I'd have ushered in morning holdin' her tight
With sounds of promise
And shades of grace

I've been down and I've been waitin'
Here she comes, here she comes
I've been down and I've been waitin'
Here she comes, here she comes, here she comes

Well I'm done hangin' on, maybe
Well I'm done hangin' on, maybe

Tonight I'll say the sweetest words
But if I'm not drinkin'
I might not remember, to say just what I mean
No no sounds of promise
An' shades of grace

I've been down and I've been waitin'
Here she comes, here she comes
I've been down and I've been waitin'
Here she comes, here she comes, here she comes

Well I'm done hanging on, maybe
Well I'm done hanging on, maybe

I don't want to go, she don't want to go
We don't need to go this time is ours
I don't want to go, she don't want to go

We both know this time is ours tonight
Tonight
Tonight
Tonight
