a gray window in a small town

don't you worry darling

don't you worry about it darling

this is how I keep the sky from falling

so hold on to me

I will try to keep the sky

from falling down on you

the ghost stories behind your eyes

are something I can sympathize with

so don't you worry about it darling

cause I ain't worried about it darling

this is how I keep the sky from falling

[Chorus]
