I'll find a way
to bring you closer
I'll find a way
To cut you loose
I'll find a way
to get you back
I'll Find a way
I always do

I havent made you cry
I havent told you lies
I promise you I'll try
anything to make you stay
I havent done a thing
to make you wanna leave
but baby you know me
I'm sure i'll find a way

I never know
just what your thinking
I made myself
cuz iam the fool
I make it hard
so hard to love me
I'll find away
I always do

I havent made you cry
I havent told you lies
I promise you i'll try
anything to make you stay
I havent done a thing
to make you wanna leave
but baby you know me
and I'm sure i'll find away to make you crazy
you know i always do....

Yea i want you here with me
but if you ever leave
you know i'll get you back someday
yea i'm sure i'll find a way

i'm sure i'll find a way
i'm sure i'll find a way
Yea i'm sure i'll find a way
