No more carefree laughter
Silence ever after
Walking through an empty room, tears in my eyes
This where the story ends, this is goodbye

Knowing me, knowing you
There is nothing we can do
Knowing me, knowing you
We just have to face it, this time we're through
Breaking up is never easy, I know, but I have to go
Knowing me, knowing you it's the best I can do

Mem'ries, good days, bad days
They'll be with me always
In these old familiar rooms, children would play
Now it's only emptiness, nothing to say

Knowing me, knowing you
There is nothing we can do
Knowing me, knowing you
We just have to face it, this time we're through
Breaking up is never easy, I know, but I have to go
Knowing me, knowing you is the best I can do
