When I get the blues gonna give me a rockin' chair  
When I get the blues gonna give me a rockin' chair  
When the blues overtake, gonna rock rock away from  
here  
When I get lonesome, I get right on the telephone  
Call my baby, and tell her I'm gonna come back home  
I say little darling, please have my dinner ready

Flip, flop and fly  
I don't care if I die  
Flip, flop and fly  
I don't care if I die  
Don't ever leave me  
Don't ever say goodbye

Here comes by baby, flashing a new gold tooth  
Here comes by baby, flashing a new gold tooth  
If she shows more, she can rock home with the bacon  
too  
I've got a Mississippi bullfrog sitting on a hollow stone

I've got a Mississippi bullfrog sitting on a hollow stone  
I've got to work for this guy - I don't know which way to  
turn

Flip, flop and fly  
I don't care if I die  
Flip, flop and fly  
I don't care if I die  
Don't ever leave me  
Don't ever say goodbye

Give me one last kiss and hold it a long long time  
Give me one last kiss and hold it a long long time  
I wanna feel that kiss till my head run feels like wine

Flip, flop and fly  
I don't care if I die  
Flip, flop and fly  
I don't care if I die  
Don't ever leave me  
Don't ever say goodbye
