[Incomprehensible]

Roll me a great big spliff

Hey there sugar darlin', let me tell you somethin'  
Girl, I've been tryin' to say  
You look so sweet and you're so, so doggone fine  
I just can't get you out of my mind

You become a sweet taste in my mouth now  
And I want you to be my spouse  
So that we can live happily now  
In a great big old roomy house

And you know you got to groove me baby, oh yeah  
Well, make me feel good inside  
Come on now, groove me baby  
I need your groove, hey

Hey there sugar darlin', let me tell you somethin'  
Girl, I've been tryin' for days  
Gimme some lovin' and some 20-20 huggin'  
Ooh, you cute little thang

Well, girl, between you and me now  
We don't need no company  
No other man, no other girl now  
Can enter into our world

Not as long as you groove me, baby, oh yeah  
Make me feel good inside  
Come on and groove me, baby  
I need your groove, hey

His Majesty Haile Selassie  
Groove me, baby  
I need [Incomprehensible] groove, hey  
Welcome to Rastaman Vibrations, oh yeah man  
Groove me baby, hey, ha

Hey man, you know Kingston me come from, man  
You come from Kingston, man?  
Yes man, I spent two years in Babylon, man

What did they put you in Babylon for, man?  
For possession of a gun, man  
Aah

I tried, but when I come to this country, man  
I bring a little surprise for everybody  
What do you bring back with you, man?  
75 pounds of lamb's bread from Jamaica
