Sometimes it's hard to be a woman  
Giving all your love to just one man  
you have good times you have bad times  
doing things that you don't understand  
But if you love him you forgive him  
You know, it's hard to understand  
But if you love him  
Oh be proud of him  
'Cause after all he's just a man  
Stand by your man  
Give him two arms to cling to  
And something warm to come to  
when nights are cold and lonely  
Stand by your man  
And tell the world you love him  
Keep givin' all the love you can  
Baby, stand by your man
