(Feat. Aretha Franklin)

Think (Think) think (Think) think (Think) think (Think)

You think (Think) think (Think) think about it (Think)

You better think (Think), think about what you're trying  
to do to me

Yeah think (Think, think), let your mind go, let yourself  
be free

Lets go back, lets go back, lets go way on back when  
I didn't even know you, you couldn't have been too  
much more than ten (Just go on)

I ain't no psychiatrist, I ain't no doctor with a degree  
It don't take too much high iq's to see what you're  
doing to me

You better think (Think) think about what you're trying  
to do to me

Yeah think (Think, think), let your mind go, let yourself  
be free

Oh freedom (Freedom), freedom (Freedom), freedom,  
yeah freedom (Freedom)

Oh now freedom (Freedom), freedom (Freedom),  
freedom, oh freedom (Freedom)

Oh, right now

Hey, think about it

You, think about it

There ain't nothing you could ask I could answer you  
but I won't (I won't)

I was gonna change but I'm not if you keep doing  
things I don't

Hey (Think) think about what you're trying to do to me  
(What you're trying to do to me)

Baby, think (Think), let your mind go, let yourself be  
free

People walking around everyday, playing games that  
they can score

Trying to make other people lose their minds, be  
careful you don't lose yours

Yeah think (Think) think about what you're trying to do  
to me

Yeah, yeah, yeah, yeah (Think, think), let your mind go,  
let yourself be free

You need me (Need me) and I need you (Don't you  
know?)

Without eachother there ain't nothing people can do  
Yeah yeah, think about me (What you're trying to do to  
me)  
'Till the fall of the night, think about it right now  
Oh freedom (Freedom), freedom (Freedom), freedom,  
yeah freedom (Freedom)  
Freedom (Freedom), freedom (Freedom), freedom,  
freedom (Freedom)  
Right now  
Hey, you, think about it  
There ain't nothing you could ask I could answer you  
but I won't (I won't)  
And I was gonna change but I'm not if you keep doing  
things I don't  
Hey think (Think), think about what you're trying to do  
to me (What you're trying to do to me)  
Baby, think (Think), let your mind go, let yourself be  
free  
You need me (Need me) and I need you (Don't you  
know)  
Without eachother there ain't nothing people can do  
Yeah yeah, think about me (What you're trying to do to  
me)  
'Till the fall of the night, think about it baby, right now  
(Think about, forgiveness) To keep me  
(Think about, forgiveness) Baby  
(Think about, forgiveness, think about it)  
(Think about, forgiveness) Forgiveness  
(Think about, forgiveness) Right now  
(Think about, forgiveness, think about it) Think about  
(Think about, forgiveness) Baby  
(Think about, forgiveness)  
(Think about, forgiveness, think about it) Think about it  
Think about (Think about, forgiveness) Forgiveness  
(Think about, forgiveness) Forgiveness  
(Think about, forgiveness, think about it) Don't even  
breath a flew, 'cause of hey  
You had better stop and think before you think  
Think
