Evan Dando---Ballad of El Goodo

Years ago my heart was set to live on
And I've been tryin hard against unbelievable odds
Gets so hard at times like now to hold on
Guns they wait to be stuck by
And at my side is God

Ain't no one goin to turn me round
Ain't no one goin to turn me round

People round you tell you that they know
The places they have been, and it's easy to go
They'll zip you up and dress you down, and stand you
in their role
You know you don't have to
You can just say no

And there ain't no one goin to turn me round
Ain't no one goin to turn me round
Ain't no one goin to turn me round
Ain't no one goin to turn me round

I've been built up and trusted
Broke down and busted
They'll get theirs and we'll get ours if you can just
Hold on
Hold on
Hold on
Hold on

Years ago my heart was set to live on
And I've been tryin hard against unbelievable odds
Gets so hard at times like now to hold on
Gonna fall if I don't fight it
And at my side is God

Ain't no one goin to turn me round
Ain't no one goin to turn me round
Ain't no one goin to turn me round
Ain't no one goin to turn me round
