Why do I feel like nothing's good enough?  
And I can't escape the torment of it all  
And every minute I'm awake I find  
Another thing that makes me hollow  
Wishing I was gone

Sick and tired of myself  
Turn me into someone else  
I can't hold on (hard to breathe)  
Take the hurt I'm living with  
Give me back my innocence  
I can't hold on

The more that I think  
The less I seem to know  
I am surrounded  
But still I feel alone  
I would give anything it takes to find  
The reason I'm not satisfied  
Where do I belong  
Where do I belong

Sick and tired of myself  
Turn me into someone else  
I can't hold on (hard to breathe)  
Take the hurt I'm living with  
Give me back my innocence  
I can't hold on

Hard to breathe  
Hard to see  
I don't wanna do this anymore

Far from free  
Hating me  
One more day and I'm gone

Sick and tired of myself  
Turn me into someone else  
I can't hold on (hard to breathe)  
Take the hurt I'm living with

Give me back my innocence

I can't hold on
