If I said that I'm sorry
But I told you I cared
Would you ever forgive me?
Is there no second chance?
I did not mean to hurt you
Don't say I do not care
Because I have to do this
We could not go back there

I needed to change all
It's all me and I'm sorry
Yeah, I'm sorry
But there's no other way
Hope you'll be okay
I hope to not put you through this
Yeah I'm sorry
I must say what I thought... I would never say

It's so far from easy
I can barely face
I've given up on us
This could be a mistake

I needed to change all
It's all me and I'm sorry
Yeah, I'm sorry
But there's no other way
Hope you'll be okay
I hope to not put you through this
Yeah, I'm sorry
I must say what I thought... I would never say

It's all me and I'm sorry
Yeah, I'm sorry
But there's no other way
Hope you'll be okay
I hope to not put you through this
Yeah, I'm sorry
I must say what I thought... I would never say
I'm sorry, I'm sorry.
