How can I pretend that I don't see,
What you hide so carelessly,
I saw her bleed,
And you heard me breathe,
And I froze inside myself,
And turned away,
I must be dreaming

We all live, we all die,
That does not begin to justify you

It's not what it seems,
Not what you think,
No, I must be dreaming,
It's only in my mind,
Not real life,
No, I must be dreaming

Help you know I've got to tell someone,
Tell them what I know you've done,
I fear you, but spoken fears can come true

We all live, we all die,
That does not begin to justify you

It's not what it seems,
Not what you think,
No I must be dreaming,
It's only in my mind,
Not real life,
No I must be dreaming

We all live,
We all die,
That does not begin to justify you

It's not what it seems,
Not what you think,
No I must be dreaming,
It's only in my mind,
Not real life,

No I must be dreaming

Not what it seems,
Not what you think,
I must be dreaming,
Just in my mind,
Not real life,
I must be dreaming.
