Why do I feel like nothing's good enough?
And I can't escape the torment of it all
And every minute I'm awake I find
Another thing that makes me hollow
Wishing I was gone

Sick and tired of myself
Turn me into someone else
I can't hold on (hard to breathe)
Take the hurt I'm living with
Give me back my innocence
I can't hold on

The more that I think
The less I seem to know
I am surrounded
But still I feel alone
I would give anything it takes to find
The reason I'm not satisfied
Where do I belong
Where do I belong

Sick and tired of myself
Turn me into someone else
I can't hold on (hard to breathe)
Take the hurt I'm living with
Give me back my innocence
I can't hold on

Hard to breathe
Hard to see
I don't wanna do this anymore

Far from free
Hating me
One more day and I'm gone

Sick and tired of myself
Turn me into someone else
I can't hold on (hard to breathe)
Take the hurt I'm living with
Give me back my innocence

I can't hold on
