You told your friends,
Who told my friends,
That you got drunk and spent the night
With some guy you didn't know
At all

Now you are so resistet,
Your story's inconsistent,
You swear you only kissed him
But I know it's a lie

You tried to be G rated,
But that's not how it played in my head
And you front like you've been crying
But I know that you're lying again

And this is the part when you disappear,
Is a chichÃfÂ" break up here
Yeah, we're D-O-N-E
Tell me how it feels to be the cheater of the year
And this is the part when you shed a tear,
Let me make it very clear,
That we're O-V-E-R
I know who you really are
You're the cheater of the year

I hope that you're happy,
You've ruined everything we had
I want my Spinfire t-shirt back

You know what my stance is,
I don't do second chances
And all those high school dances

I could have gone stag

You're tryin' to explain it
But I ain't gonna play taht again

And this is the part when you disappear,
Is a chichÃfÂ" break up here
Yeah, we're D-O-N-E

Tell me how it feels to be the cheater of the year
And this is the part when you shed a tear,
Let me make it very clear,
That we're O-V-E-R
I know who you really are
You're the cheater of the year

Cheater of the year
It's good to know that you're alone
Cheater of the year
It's good to know that you'll be sorry

This is the part when you disappear,
Is a chichÃfÂ" break up here
Yeah, we're D-O-N-E
Tell me how it feels to be the cheater of the year
And this is the part when you shed a tear,
Let me make it very clear,
That we're O-V-E-R
I know who you really are
You're the cheater of the year
