Fall Into You
David Hodges feat. Amy Lee

Seems so far
That i have gone down this road
Only to find that it ends
But lookin' back
There is one thing that I know
I can't make it all alone again

'Cause im too weak to stand on my own
But all I need is you

[Chorus]
So lead me
Guide me
Hold me
Hide me in love
With all that you are
And all that you do

Hear me
Take me
Mold me
Break me, oh God
Just fill all of me
As i fall Into you

Just catch me as I fall
But all this time
I have felt so alone
Losing myself in my despair
With loving arms
You were waiting for me to let go
With every step
You were there

'Cause I'm too weak to stand on my own
When all i need is you

(chorus)

Oh my child
How i have longed
For you to come home
To where you belong
All of your life
If you could just see
All of my joy
When you are here with me (X2)

Hear me Take me
Mold me
Break me, oh god
Just fill all of me
As I fall into you
