Why do you cry for me?
Why do you fake that you don't see me?
When you change everybody's path
But you know that...
One day you are going to see me with different eyes

CHORUS:

I don't know if I will survive without you in my arms
Then now...
Give me a chance
Let me show you how much love you
Oh, I need you to survive in the darkness
Save me from the dark and from the death

If I die, the love that I feel for you will resuscitate me
from
The gray of the evil and dark
And the sun will shine for me again, yeah
The love is indestructible against the evil
I dream that I have you with me
So tell me why do you cry for me?
Come with me, you won't regret it

CHORUS:

Give me a chance
Let me show you how much I love you
Oh, I need you to survive in the darkness
Save me from the death

CHORUS:

I don't know if I will survive without you in my arms
Then now...
Give me a chance
Let me show you how much I love you
Oh, I need you to survive in the darkness
Save me from the dark and from the death

(REPEAT CHORUS 2x)
