Walkin around 24/7,
Waiting for you to arise,
From your deadly grave,
Firey flames blowing in my face,
Burning through my skin,
But how can I help it,
Forgive me god for I have sinned.

Forgive me God,
Forgive me god,
For I have sinned,
Im all wound up in flames
Who wants to be an angel,
I'm hells angel,
Hells Angel.

Throwing flames up above,
Killing what I don't shove
I don't have time to be what I really am,
Knowing it all,
Catching nothing,
Nobody cares about me,
Well nobody really knows me

I'm hells angel,
Rising down below,
Hating what I don't have,
Forgive me God,
Forgive me,
For I have sinned.

Walkin around 24/7,
Waiting for you to arise,
From your deadly grave,
Firey flames blowing in my face,
Burning through my skin,
But how can I help it,
It's not me, it's my inner soul.

Forgive me,
Forgive me,

Hell raising angel,
Hell risin angel,
I'm hells angel,
Hells angel,
Hells angel
