How can I pretend that I don't see
What you hide so carelessly
I saw her bleed
You heard me breathe
And I froze inside myself and turned away
I must be dreaming

We all live, we all die
That does not begin to justify you
It's not what it seems
Not what you think
No, I must be dreaming
It's only in my mind
Not real life
No, I must be dreaming

Help, I know I've got to tell someone
Tell them what I know you've done
I fear you, but spoken fears can come true

We all live, we all die
That does not begin to justify you
It's not what it seems
Not what you think
No, I must be dreaming
It's only in my mind
Not real life
No, I must be dreaming

We all live, we all die
That does not begin to justify you
It's not what it seems
Not what you think
No, I must be dreaming
It's only in my mind
Not real life
No, I must be dreaming

Not what it seems
Not what you think
I must be dreaming

Just in my mind
Not real life
I must be dreaming
