Verse 1

You make me wanna explode, but somehow we fit
Why do you tell me I'm gold, then treat me like
Nothing I do is good enough, yeah you're the perfect
one

I know that I should run, but I don't wanna leave

Chorus

It's a love/hate relationship, I love to hate you, I gotta
admit

It's a love/hate relationship, you're the drug that I just
can't kick

I guess I like it

Ahaa

Verse 2

Wish I could go back before you got me in bed

Now everyday is a war, but you give the best

After we're through I can't complain

It's such a dirty game

I know that I should run, but I don't wanna leave

Even though I know that you don't give a f**k about me

Chorus

It's a love/hate relationship, I love to hate you, I gotta
admit

It's a love/hate relationship, you're the drug that I just
can't kick

I guess I like it

Ahaa

Bridge

If I knew what I know now, I would have never got in

I thought I had you down, I never saw this coming

I cannot wait for the day when I can finally get out

I wanna see your face, you wanna f**k me now

Chorus

It's a love/hate relationship, I love to hate you, I gotta
admit

It's a love/hate relationship, you're the drug that I don't
wanna kick

I guess I like it

Ahaa
I guess I like it
Etc.
