I'm so tired of being here  
Suppressed by all my childish fears  
I would give the very breath from my chest  
To give you all the things  
That my mind couldn't bear

And if you have to leave  
I wish that you would just leave  
Because your presence still lingers here  
And it won't leave me alone

Chorus:  
These wounds won't seem to heal  
This pain is just too real  
There's just too much that time cannot erase  
When you cried I'd wipe away all of your tears  
When you'd scream I'd fight away all of your fears  
And I've held your hand through all of these years  
But you still have, all of me

You used to captivate me  
By your resonating light  
But now I'm bound by the life you left behind  
Your face, it haunts my once pleasant dreams  
Your voice it chased away all of the sanity in me

Chorus:  
These wounds won't seem to heal  
This pain is just too real  
There's just too much that time cannot erase  
When you cried I'd wipe away all of your tears  
When you'd scream I'd fight away all of your fears  
And I've held your hand through all of these years  
But you still have, all of me

I'd love to walk away  
And pull myself out of the rain  
But I can't leave without you  
I'd love to live without  
The constant fear and endless doubt  
But I can't live without you

When you cried I'd wipe away all of your tears  
When you'd scream I'd fight away all of your fears  
And I've held your hand through all of these years  
But you still have, all of me
