Ahhha ahha ahh ohhh ahhha ahha ah ohhh
I took my own advice I put it over ice
I never seem to listen when you pour
I didn't treat you right
So now I'm thinking twice
You look so pretty walking out the door

And you can be the Captain I can be the ship
And you can be the Razor blade going up my wrist
Every time I see you smile
Girl you make me want to change
I'll try for you, I'll try for you
So tell me how to get you back
You got me going six feet under the ground to prove
I'd die for you!

I know I've made mistakes
But let me make it straight
I'm sure it's gonna to take more than a rose
It hit me like a quake
I know I've been flake
But I'm gonna let this case be closed

And you can be the lime and I can be the twist
And you can be the razor blade going up my wrist
And Every time I see you smile
Girl you make me want to change
I'll try for you, I'll try for you
So tell me how to get you back
You got me going six feet under the ground to prove
I'd die for you!

I wanna kill the past
I wanna make it last
Maybe I can get it over fast
Or I can stick around to get you back again, again

Every time I see you smile
Girl you make me want to change
I'll try for you, I'll try for you
So tell me how to get you back
You got me going six feet under the ground to prove

I'd die for
Ahhha ahaha ahh ahh ohhh
Ahhha ahaha ahhh ohhhhhhhh
