Originally by The Offspring

I wrote her off for the tenth time today
And practiced all the things I would say
But she came over
I lost my nerve
I took her back and made her deserve
Now I know I'm being used
That's okay man cause I like the abuse
I know she's playing with me
That's okay cause I've got no self esteem

Oh yeah, yeah, yeah

We make plans to go out at night
I wait till 2 then I turn out the light
All this rejection's got me so low
If she keeps it up I just might tell her so

When she's saying all that she wants only me
Then I wonder why she sleeps with my friends
When she's saying all that I'm like a disease
Then I wonder how much more I can spend
Well I guess I should stick up for myself
But I really think it's better this way
The more you suffer
The more it shows you really care; Right? Yeah!

Now I'll relate this little bit
That happens more than I'd like to admit
Late at night she knocks on my door
She's Drunk again and looking to score
Now I know I should say no
But that's kind of hard when she's ready to go
I may be dumb but I'm not a dweeb
I'm just a sucker with no self esteem

Oh yeah, yeah, yeah

When she's saying all that she wants only me
Then I wonder why she sleeps with my friends

When she's saying all that I'm like a disease
Then I wonder how much more I can spend
Well I guess I should stick up for myself
But I really think it's better this way
The more you suffer
The more it shows you really care; Right? Yeah!
