Cannot handle life
There's nothing left to feel
Have I gone too far
Wish I wasn't real
Everything was fine
And now I'm filled with pain
Take one day at a time
As I try to change

I'm not satisfied
And I can't figure out why

And I kept to walk away and just give up.
But I'll find another way
I'm not losing this fight
I'm not losing my life
Nooo...

The days are getting long
Will I make it through
As it starts to fall
I'm left feeling used

I can't tell wrong from right
Don't know what to say
It's way too many lies
It's too hard to face

As I'm not satisfied
And I can't figure out why

And I kept to walk away, and just give up.
But I'll find another way
I'm not losing this fight
I'm not losing my life
Nooo...

And I kept to walk away and just give up.
But I'll find another way
I'm not losing this fight
I'm not losing my life
Noooo...

Cannot handle life
Cannot handle life
Cannot handle life
