Chorus

I'm falling in love, I'm fallin in love, yea you're my
starbucks girl.

I'm falling in love, I'm fallin in love, yea you're my
starbucks girl.

Verse 1

I was standin in line, the barista caught my eye
She was pourin up a shot I was runnin out of time
I swear my tongue, it was stuck when she got to my cup
I said goodbye cause I'm shy but I think she might
actually be the one

Pre 1

I wanna go back in there all day, but I don't know what
I would say
I'm crushin so hard that my head aches, so sprinkle
on the heartbreak now...

Chorus

I'm falling in love, I'm fallin in love, yea you're my
starbucks girl.

I can't get enough, I can't get enough, yea you're
my starbucks girl

think, its time I tell ya straight, the coffee here its kinda
great

but I just come to be with you

I'm falling in love, I'm fallin in love, yea you're my
starbucks girl.

Verse 2

I came back for my fix, got a new shirt and kicks
And there ain't no denyin she was likin my tricks
I said let's go, gotta run, cause the good life just begun
You can quit your job take your apron off
Cause now you know that you're my number one

Pre 2

Cause all I could think about all day, is you and I runnin
away

You're the addiction I won't shake, so sprinkle on the
heartbreak now...

Chorus 2

I'm falling in love, I'm fallin in love, yea you're my
starbucks girl.
I can't get enough, I can get enough, yea you're my
starbucks girl
maybe, its time I tell ya straight, the coffee its kinda
great, but I just come to be with you
I'm falling in love, I'm fallin in love, yea you're my
starbucks girl.

Bridge

girl, skip the sugar bar
cause you're, sweet the way you are
we don't need no, honey and spice
cause we go together like a mocha over ice

Chorus 3

I'm falling in love, I'm fallin in love, yea you're my
starbucks girl.
I can't get enough, I can get enough, yea you're my
starbucks girl
I don't care I don't care what it takes, and I don't
care how long I have to wait,
cause I just wanna be with you
I'm falling in love, I'm fallin in love, yea you're my
starbucks girl.
