[Verse 1]

Things used to be great, Now we can't relate
And everyday is a struggle
Somethings not right, you just want to fight
Well go find someone else.
Cause you're not my type anymore

[Chorus]

I don't wanna play your games
I don't care, If I lose you today
Cause you can't be satisfied by anything
So try life without me,

[Verse 2]

Nothing I do, Ever pleases you
I wonder how you'd like that
What should I say, you've made it this way
And I'm supposed to fix this
I don't feel like it

[Chorus]

I don't wanna play your games
I don't care, If I lose you today
Cause you can't be satisfied by anything
So try life without me

[Bridge]

Its over now, we're finally through
Its all because of you
Don't know why I tried, you never cared
I don't think that's fair.

[Chorus(2x)]

I don't wanna play your games
I don't care, If I lose you today
Cause you can't be satisfied by anything
So try life without me
