Its just the way it is
And nothing can ever stop that
Its nothing in no way
No body can change

You come around, every day
Trying to get in my way
I want you go get away
Its just not the same old game
Its not just the same old thing
The same old relationship
That had the same old thing

Its just the way it is,
That's just the way it was
And nothing can ever stop that
Its nothing in no way
Anyone can change

Its been years, it's been hours
Many days I can't seem to remember
I thought this was forever
But it just can't be,
The only things that don't last forever
Are just you and me.

It's just the way it is,
That's just the way it was
And nothing can ever stop that
Its nothing in no way
Anyone can change

Guess it wasn't forever
It's just the way it is
The way it is,
Way it is,
Way it is.
