Try life without me

Things used to be great,
now we can't relate.
And everyday is a struggle,
Something's not right,
you just want to fight...
Well, go find someone else...
Cause you're not my type anymore!

I don't wanna play your games!
I don't care if i lose you today.
Cause you can't be satisfied by anything!
So try life without me!

Nothing i do ever pleases you,
I wonder how you'd like that...
What should i say?!
You've made it this way!!
And i'm supposed to fix this,
I don't feel like it!

I don't wanna play your games!

I don't care if i lose you today.
Cause you can't be satisfied by anything!
So try life without me!

It's over now, we're finally through.
It's all because of you.
Don't know why i tried...
You never cared!!
I don't think that's fair...

I don't wanna play your games!
I don't care if i lose you today.
Cause you're never satisfied by anything!
So try life without me!

I don't wanna play your games!
I don't care if i lose you today!

Cause you can't be satisfied by anything!
So try life without me!
Just try life without me!
