I hold my breath as this life starts to take it's toll  
I hide behind a smile as this perfect plan unfolds  
But oh, God, I feel I've been lied to  
Lost all faith in the things I have achieved  
And I

I've woken now to find myself  
In the shadows of all I have created  
I'm longing to be lost in you  
(away from this place I have made)  
Won't you take me away from me

Crawling through this world as disease flows through  
my veins  
I look into myself, but my own heart has been changed  
I can't go on like this  
I loathe all I've become

I've woken now to find myself  
In the shadows of all I have created  
I'm longing to be lost in you  
(away from this place I have made)  
Won't you take me away from me

Lost in a dying world I reach for something more  
I have grown so weary of this lie I live

I've woken now to find myself  
In the shadows of all I have created  
I'm longing to be lost in you  
I

I've woken now to find myself  
I'm lost in shadows of my own  
I'm longing to be lost in you  
Away from me
