Meet me after dark again and I'll hold you  
I am nothing more than to see you there

[chorus]

And maybe tonight, we'll fly so far away  
We'll be lost before the dawn

If only night can hold you where i can see you, my love  
Then let me never ever wake again

[chorus]

And maybe tonight, we'll fly so far away  
We'll be lost before the dawn

[bridge]

Somehow i know that we can't wake again from this  
dream  
It's not real, but it's ours

[chorus]

Maybe tonight, we'll fly so far away  
We'll be lost before the dawn  
Maybe tonight, we'll fly so far away  
We'll be lost before the dawn

[Chanting]
