How can I pretend that I don't see  
What you hide so carelessly  
I saw her bleed  
And you heard me breath  
And I froze inside myself  
And turned away  
I must be dreaming

We all live, we all die  
That does not begin to justify you

It's not what it seems  
Not what you think  
No, I must be dreaming  
It's only in my mind  
Not real life  
No, I must be dreaming

Help you know I've got to tell someone  
Tell them what I know you've done  
I fear you but spoken fears can come true

We all live, we all die  
That does not begin to justify you

It's not what it seems

Not what you think  
No I must be dreaming  
It's only in my mind  
Not real life  
No I must be dreaming

We all live  
We all die  
That does not begin to justify you

It's not what it seems  
Not what you think  
No I must be dreaming  
It's only in my mind  
Not real life

No I must be dreaming

Not what it seems  
Not what you think  
I must be dreaming  
Just in my mind  
Not real life  
I must be dreaming
