I've been looking in the mirror for so long  
That I've come to believe my soul's on the other side  
Oh, the little pieces falling  
Shatter shards of me

Too sharp to put back together  
Too small to matter  
But big enough to cut me into so many little pieces  
If I try to touch her

And I bleed, I bleed  
And I breathe, I breathe no more

Take a breath and I try to draw from my spirit's well  
Yet again you refuse to drink like a stubborn child  
Lie to me, convince me that I've been sick forever  
And all of this will make sense when I get better

I know the difference  
Between myself and my reflection  
I just can't help but to wonder  
Which of us do you love

So I bleed, I bleed  
And I breathe, I breathe now

Bleed, I bleed  
And I breathe  
I breathe, I breathe  
I breathe no more
