"Breathe No More"

I've been looking in the mirror for so long
That I've come to believe my soul's on the other side
Oh, the little pieces falling, shatter
Shards of me too sharp to put back together
Too small to matter but big enough to cut me
Into so many little pieces if I try to touch her

And I bleed, I bleed
And I breathe, I breathe no more

Take a breath and I try to draw from my spirits well
Yet again you refuse to drink like a stubborn child

Lie to me, convince me that I've been sick forever
And all of this will make sense when I get better
I know the difference between myself and my
reflection
I just can't help but to wonder which of us do you love

So I bleed, I bleed
And I breathe, I breathe now
Bleed, I bleed and I breathe
I breathe, I breathe, I breathe no more
