[Part I : Away From Me]

I hold my breath as this life starts to take its toll
I hide behind a smile as this perfect plan unfolds
But oh, God, I feel I've been lied to
Lost all faith in the things I have achieved, and I-

I've woken now to find myself
In the shadows of all the lie I've created
I'm longing to be lost in you
(away from this place I have made)
Won't you take me away from me

Crawling through this world as disease flows through
my veins
I look into myself, but my own heart has been changed
I can't go on like this, I loathe all I've become

I've woken now to find myself
In the shadows of all the lie I've created
I'm longing to be lost in you
(away from this place I have made)
Won't you take me away from me

Lost in a dying world I reach for something more
I have grown so weary of this lie I live

I've woken now to find myself
In the shadows of all the lie I've created
I'm longing to be lost in you, I-
Have woken now to find myself
I'm lost in shadows of my own
I'm longing to be lost in you
Away from me
From me (x7)

[Part II : Eternal]

[Instrumental]

[Part III: Listen To The Rain]

Listen listen
Listen listen
Listen listen
Listen listen

Listen (listen) Listen (listen)
Listen (listen) Listen (listen)
Listen (listen) Listen (listen)
Listen (listen) Listen (listen)

Listen to each drop of rain (listen listen)
whispering secrets in vain, (listen listen)
Frantically searching for someone to hear
their story before they hit ground.

Please don't let go!
Can't we stay for awhile?
It's just too hard to say goodbye.
Listen to the Rain!

Listen listen listen ... to the Rain
Weeping.

Listen (listen) Listen (listen)
Listen (listen) Listen (listen)

I stand alone in the storm.
Suddenly sweet words take hold:
"Hurry!" they say, "for you haven't much time!
"Open your eyes to the love around you;
"you may feel you're alone,
"but I'm here still with you.
"You can do what you dream,
"just remember to
"Listen to the Rain."

[prolonged] Listen...
