I still remember
The world from the eyes of a child
Slowly those feelings
Were clouded by what I know now

Where has my heart gone
An uneven trade for the real world
Oh I, I want to go back to
Believing in everything and knowing nothing at all

I still remember
The sun always warm on my back
Somehow it seems colder now

Where has my heart gone
Trapped in the eyes of a stranger
Oh I, I want to go back to
Believing in everything

Latin hymn:
[Iesu, Rex amirabilis]
[et triumphator nobilis]
[dulcedo ineffabilis]
[totus desiderabilis]

As the years pass by before my face
[Totus desiderabilis]
As wars rage before me
Finding myself in these last days of existence
This parasite inside me I forced it out
In the darkness of the storm
[Iesu, Rex amirabilis]
Lies an evil
But it's me

Where has my heart gone.
An uneven trade for the real world
Oh I, I want to go back to
Believing in everything

Oh where has my heart gone
Trapped in the eyes of a stranger

Oh I, I want to go back to
Believing in everything

(I still remember the world) whispered
