Long lost words whisper slowly to me  
Still can't find what keeps me here  
When all this time, I've been so hollow inside  
I know you're still there

Watching me, wanting me  
I can feel you pull me down  
Fearing you, loving you  
I won't let you pull me down

Hunting you  
I can smell you alive  
Your heart pounding in my head

Watching me, wanting me  
I can feel you pull me down  
Saving me, raping me  
Watching me

Watching me, wanting me  
I can feel you pull me down  
Fearing you, loving you  
I won't let you pull me down
