Every time we lie awake
After every hit we take
Every feeling that I get
But I haven't missed you yet

Every roommate kept awake
By every sigh and scream we make
All the feelings that I get
But I still don't miss you yet

Only when I stop to think about it

I hate everything about you
Why do I love you?
I hate everything about you
Why do I love you?

Every time we lie awake
After every hit we take
Every feeling that I get
But I haven't missed you yet

Only when I stop to think about it

I hate everything about you
Why do I love you?
I hate everything about you
Why do I love you?

Only when I stop to think about you
I know
Only when you stop to think about me
Do you know?

I hate everything about you
Why do I love you?
You hate everything about me
Why do you love me?

I hate
You hate
I hate

You love me

I hate everything about you
Why do I love you?
