And i would do anything for love, i'd run right into hell
and back,
I would do anything for love, i'll never lie to you and
thats a fact

But i'll never forget the way you feel right now
- oh no - no way - i would do anything for love,
I would do anything for love [3x]
But i won't do that, no i won't do that.

Some days it don't come easy, some days it don't
come hard
Some days it don't come at all, and these are the
days that never end

Some nights you breath fire, some nights your carved
in ice,
Some nights you're like nothing i've ever seen
before, or will again.
Maybe i'm crazy, but it's crazy and it's true,
I know you can save me, no one else can save me now
but you.
As long as the planets are turning, as long as the stars
are burning,
As long as your dreams are coming true - you better
believe it!

That i would do anything for love (3x)
But i won't do that, i won't do that.
I would do anything for love
Anything you've been dreaming of
But i just wont do that...

Some days i pray for silence, some days i pray for soul,
Some days i just pray to the god of sex and drums and
rock 'n' roll
Maybe i'm lonely, and thats all i'm qualified to be
There's just one and only, the one and only promise i
can keep
As long as the wheels are turning, as long as the fires
are burning

As long as your prayers are coming true - you better believe it!

That i would do anything for love!
And you know it's true and that's a fact, i would do anything for love!
And there'll never be no turning back
But i'll never do it better than i do it with you,
So long, so long - i would do anything for love (3x)
But i won't do that, i won't do that!

Girl : will you raise me up? will you help me down?
Will you help get me right out of this godforsaken town?
Will you make it a little less cold?

Boy : i can do that! i can do that!

Girl : will you cater to every fantasy that i've got?
Will ya hose me down with holy water - if i get too hot?
Will you take me to places that i've never known?

Boy : i can do that! i can do that!

Girl : i know the territory, i've been around,
It'll all turn to dust and we'll all fall down,
And sooner or later you'll be screwing around

Boy : i won't do that! i won't do that!
Anything for love, but i won't do that
