you don't know what you do to me
you changed around the scenery
and now everything is new to me
but it look just right yea looks just right
whoa it's strange but it's beautiful yet i know where i
am oh

i've never been here before
i've never been loved like this
never been tumbling stumbling over the words that get
tangled inside of me
never been moved this way
nobody's ever made me say
99.9 percent sure i've never been here before

i'm walkin in a wonderland
don't ever sense it all again
and i don' ever won't to undestand
cuz it feel that good yea it feels that good

it's a state that ain't on a map
yet i know where i'm at oh

i've never been here before
i've never been loved like this
never been tumbling stumbling over the words that get
tangled inside of me
never been moved this way
nobody's ever made me say
99.9 percent sure i've never been here before

99.9 99.9 na na na na na na
99.9 99.9 na na na na na na

yea it's a state that ain't on a map
yet i i know where im at ohhh

(repeat twice)

i've never been here before
i've never been loved like this
never been tumbling stumbling over the words that get

tangled inside of me
never been moved this way
nobody's ever made me say
99.9 percent sure i've never been here before

no i've never been here before
i've never been here before
99.9 percent sure i've never been here before
