You don't remember me, but I remember you.  
I lie awake and try so hard not to think of you.  
But who can decide what they dream?  
And dream I do...

I believe in you,  
I'll give up everything just to find you...  
I have to be with you,  
To live, to breathe,  
You're taking over me...

Have you forgotten all I know and all we have.  
You saw me mourning my love for you and touched my  
hand.  
I knew you loved me then.

I believe in you,  
I'll give up everything just to find you...  
I have to be with you,  
To live, to breathe,  
You're taking over me...

I look in the mirror and see your face,  
If I look deep enough.  
So many things inside that just frighten you,  
Are taking over...

I believe in you,  
I'll give up everything just to find you...  
I have to be with you,  
To live, to breathe,  
You're taking over me... (x2)

(Taking over me...)  
You're taking over me  
(Taking over me...)  
Taking over me
