Speak your mind,
Like I care
I can see your lips moving
I just learn not to hear

Don't waste your time

It's never enough for you baby
Don't want to play your game
Never enough
No matter what you say
I'm all out of love for you, baby
Now that I've tried everything
I'll numb the pain,
until i am made of stone

Take your time
I'm not scared
Make me everything you need me to be
So the judgment seems fair

Don't waste your time

It's never enough for you baby
Don't wanna play your game

Never enough
No matter what you say
I'm all out of love for you,baby
Now that I have tried everything
I'll numb the pain
until I am made of

Tear up my heart
For the way that it feels
I will still remember where you have forgotten me

It's never enough for you baby
Don't wanna play your game
Never enough
No matter what you say
I'm all out of love for you,baby

Now that I've tried everything
I'll numb the pain
until I'm made of stone
It's never enough
It's never enough
It's never enough
I'll numb the pain
until I am made of stone
I'll numb the pain
