I will wander until the end of time
Torn away from you

I pulled away to face the pain
I close my eyes and drift away
Over the field
That I will never find a way
to hear my soul
And I will wander until the end of time
Torn away from you

My heart is broken
Sweet dreams my dark angel
Deliver us from sorrow's hold

From my heart, heart
I can't go on living this way
I can't go back the way I came, change of this field
That I will never find the way
to hear my soul
And I will wander until the end of the time

Half alive without you

My heart is broken
Sweet dreams my dark angel
Deliver us
Change
Open your eyes to the light
I've been denying so long
Oh so long
Say goodbye, goodbye

My heart is broken
Release me, I can't hold on
Deliver us

My heart is broken
Sweet dreams my dark angel
Deliver us

My heart is broken

Sweet dreams my dark angel
Deliver us from sorrow's hold
