I'm so tired of being here suppressed by all my childish fears
And if you have to leave I wish that you would just leave
Your presence still lingers here and it won't leave me alone

These wounds won't seem to heal, this pain is just too real
There's just too much that time cannot erase

When you cry I'd wipe away all of your tears
When you scream I'd fight away all of your fears
And I'd held your hand through all of these years
But you still have all of me

You used to captivate me by your resonating light
Now I'm bound by the life you left behind
Your face it haunts, my once pleasant dreams
Your voice it chased away all of the sanity in me

These wounds won't seem to heal, this pain is just too real
There's just too much that time cannot erase

When you cry I'd wipe away all of your tears
When you scream I'd fight away all of your fears
And I'd held your hand through all of these years
But you still have all of me

I tried so hard to tell myself that you're gone
But though you're still with me I've been alone, all alone

When you cry I'd wipe away all of your tears
When you scream I'd fight away all of your fears
And I'd held your hand through all of these years
But you still have all of me, me, me
