my immortal i'm so tired of being here. suppressed by
all of my childish fears and if you have to leave i wish
that you would just leave because your presence still
lingers and it won't leave me alone. these wounds
won't seem to heal this pain is just too much that time
cannot erase. when you cried i'd wipe away all of your
tears when you'd scream i'd fight away all of your fears
and i've held your hand through all of these years, but
you still have all of me. you used to captivate me by
your resonating light but now i'm bound by the life you
left behind your face it haunts my once pleasant
dreams your voice it chased away all the sanity in
me. these wounds won't seem to heal this pain is just too
real there's just too much that time cannot erase when
you cried i'd wipe away all of your tears when you'd
scream i'd fight away all of your fears and i've held
your hand through all of these years but you still have
all of me. i've tried so hard to myself that you're gone
and though you're still with me i've been alone all
along.
