Hold on to me love
You know I can't stay long
All I wanted to say was I love you
And I'm not afraid (Ahhh)
Can you hear me?
Can you feel me in your arms?
Holding my last breathe
Safe inside myself
Are all my thoughts of you
Sweet raptured light
It ends here tonight

I miss the winter
A world of fragile things
Look for me in the white forest
Hiding in a hollowed tree (come find me)
I know you hear me
I can taste it in your tears
Holding my last breathe
Safe inside myself
Are all my thoughts of you
Sweet raptured light
It ends here tonight

(Chorus)
Closing your eyes to disappear
You pray your dreams will leave you here
But still you wake and know the truth
No one's there
Safe inside myself
Say goodnight
Don't be afraid
Calling me,
Calling me,
As you fade to black
(say goodnight)
holding my last breathe (don't be afraid)
Safe inside myself (calling me)
Are all my thoughts of you
Sweet raptured light
It ends here tonight

(Chorus)
Holding My Last Breathe
Safe inside myself
Are all my thoughts of you
Sweet raptured light
It ends here tonight
