Save your twisted enemy,
So you might earn forgiveness.
You know your whole world is waiting,
So why can't you speak?

I feel it coming over me,
I'm still a slave to these dreams.
Is this the end of everything,
Or just a new way to bleed?

So go and tell all your friends
That I'm a failure underneath
If it makes you feel like a bigger man.
But it's my, my heart, my life,
That you're calling a lie.
I've played this game before,
And I can't take anymore!

I feel it coming over me,
I'm still a slave to these dreams.
Is this the end of everything,
Or just a new way to bleed?

I drifted far beyond the end
Freedom, freedom
Can't you feel the ground caving in?
Freedom, give us a reason to believe again!

I feel it coming over me,
I'm still a slave to these dreams.
Is this the end of everything,
Or just a new way to bleed?
