Not gonna get us
They're not gonna get us
Not gonna get us
Not gonna get us

They're not gonna get us
They're not gonna get us
Not gonna get us
They're not gonna get us
Not gonna get us

Starting from here, let's make a promise
You and me, let's just be honest
We're gonna run, nothing can stop us
Even the night that falls all around us

Soon there'll be laughter and voices
Beyond the clouds over the mountains
We'll run away on roads that are empty
Lights from the airfield shining upon you

Nothing can stop this, not now I love you
They're not gonna get us
They're not gonna get us
Nothing can stop this, not now I love you
They're not gonna get us
They're not gonna get us
They're not gonna get us
They're not gonna get us
They're not gonna get us

Not gonna get us
Not gonna get us
Not gonna get us
Not gonna get us
Get us
Not gonna get us

We'll run away, keep everything simple
Night will come down, our guardian angel
We rush ahead, the crossroads are empty

Our spirits rise, they're not gonna get us

My love for you, always forever
Just you and me, all else is nothing
Not going back, not going back there
They don't understand us
Not gonna stop us

Not gonna get us
Not gonna get us
Not gonna get us
They're not gonna get us
Not gonna get us

Nothing can stop this, not now
I love you
They're not gonna get us
They're not gonna get us

Nothing can stop this, not now
I love you
They're not gonna get us
They're not gonna get us
They're not gonna get us
Not gonna ge
