Its been one week since you looked at me.  
Cocked your head to the side  
and said Im angry.  
Five days since you laughed at me saying,  
Get that together come back and see me.  
Three days since the living room,  
I realized its all my fault, but couldnt tell you.  
Yesterday youd forgiven me  
But itll still be two days till I say Im sorry.

Hold it now and watch the hoodwink  
As I make you stop, think  
Youll think youre looking at Aquaman  
I summon fish to the dish,  
Although I like the Chalet Swiss  
I like the sushi  
Cause its never touched a frying pan

Hot like wasabe when I bust rhymes  
Big like Leann Rimes

Cause its so dangerous,  
Youll have to sign a waiver

How can I help it if I think youre funny when youre mad  
Trying hard not to smile though I feel bad  
Im the kind of guy who laughs at a funeral  
Cant understand what I mean?  
Well, you soon will  
I have a tendency to wear my mind on my sleeve  
I have a history of taking off my shirt

Its been one week since you looked at me  
Threw your arms in the air and said youre crazy  
Five days since you tackled me  
Ive still got the rug burns on both my knees  
Its been three days since the afternoon  
You realized its not my fault not a moment too soon  
Yesterday youd forgiven me  
And now I sit back and wait till you say youre sorry

Chickity China the Chinese chicken  
You have a drumstick and your
