Avril: Well, I couldn't tell you why she felt that way, she
felt it every day
Ev: Feels like the weight of the world
like all my screaming has gone unheard
Avril: I wanna scream
it makes me feel alive
ev: So go on and scream
Avril: I'm gonna close my eyes
Ev: Don't close your eyes
Avril: don't know where she belongs, where she belongs
Ev: if I fall and all is lost
it's where I belong
Avril: I'm gonna live my life
Ev: I'm dying again
Avril: She's losing her mind
Ev: I'm losing my mind
Avril: I can make you feel a lot better
just take it in
Ev: Raping me
Avril: somebody save my life
Ev: can't save your life
Avril: you're not alone
together we stand
Ev: you're not alone
no matter what they told you
Ev: don't give in
Avril: you know I won't give in
you know I won't give in
Avril: she's lost inside, lost inside, oh , oh
Ev: so I'll find myself
so I won't be lost again
Avril: I couldn't help her
I just watched her make the same mistakes again
Ev: don't want your hand this time, I'll save myself
Ev: never sleep, never die
Avril: I laugh myself to sleep
it's my lullaby
Ev: I can't breathe but I feel good enough for you
Avril: is it enough to love?
is it enough to breathe?
Ev: don't be afraid

Avril:I'm not afraid of anything
Avril:let it go
Ev:I'm gonna let it go
