You don't remember me, but I remember you
I lie awake and try so hard not to think of you
But who can decide what they dream, and dream I do.

I believe in you
I'll give up everything just to find you
I have to be with you
To live, to breathe
You're taking over me

Have you forgotten all I know and all we had
You saw me mourning my love for you and touched my
hand
I knew you loved me then

I believe in you
I'll give up everthing just to find you
I have to be with you
To live, to breathe
You're taking over me

I look in the mirror and see your face
If I look deep enough
So many things inside that just like you
Are taking over

I believe in you
I'll give up everthing just to find you
I have to be with you
To live, to breathe
You're taking over me
