You don't remember me but I remember you
I lie awake and try so hard not to think of you

But who can decide what they dream and dream I do

I believe in you
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over me

Have you forgotten all I know and all we had
You saw me mourning my love for you and touched my
hand

I knew you loved me then

I believe in you
I'll give up everything just to find you
I have to be with you to live, to breathe

You're taking over me

I look in the mirror and see your face
If I look deep enough
So many things inside that
Just like you are taking over

I believe in you
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over me

I believe in you
(I believe in you)
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over me
(Taking over me)

You're taking over me
(Taking over me)
Taking over me
